Professional Experience

Founder
VxThreat T. Intelligence Project
Jan 2022 - Present | www.vxthreat.com

- I launched VxThreat, an Cyber Intelligence platform, in January 2022. The project includes many Threat Intelligence services, including the monitoring of Ransomware Groups, regular monitoring of Malware Types.

Cyber Threat Intelligence Analyst
Seccops Cyber Security Technologies
Jul 2021 - Feb 2022 | www.seccops.com

- I was a member of the Cyberthint team at Seccops Cyber Security, where I worked in the Threat Intelligence position for about 1 year. During my tenure with the team, I conducted lengthy and detailed work on Log Files Analysis, Malware Analysis, Corporate Reports, and Annual reports, as well as the Ransomware and APT groups.

Intern IT Asistant
OMMER Machinery Construction
Apr 2021 - Aug 2021 | www.ommermakine.com

- During my compulsory internship period, I had the opportunity to work as an Intern IT Assistant at OMMER Makine. During this time, I gained a lot of experience in network systems.
